*"A JOYFUL HEART IS GOOD MEDICINE..." PROVERBS 17:22*

A prayerful greeting for a blessed 2017 to all of you!

The work continues: spreading the good news of our Lord, Jesus Christ, through the use of translated texts, through prayer and representatives of Christ in human form. The work on the clinic continues, albeit slowly, but faith assures us that every step, however small, is a giant leap of progress on behalf of these precious souls who are in constant need. As mentioned in our previous newsletter, the building of this clinic will allow a petition to be made to the government which, when approved, will facilitate a traveling doctor to attend to minor surgeries and to make medical examinations to the citizenry of each village. What a gift that will be to the villagers!

We want you to know that your support is critical to the work of The Wilkins Foundation, Inc. There is no denying that financial support is an underpinning to the work God asks us to do. But we are also grateful for the prayerful support we receive - the daily thoughts of kindness, asking for God's ongoing blessings and strength for those in the field - these gifts of faith and prayer are so precious to us. Faith and prayer helps us to maintain stability and focus especially at times when our world seems to lack both.

So, thank you. Thank you for your financial gifts, for your gifts of prayer and faith, and for your friendship. We are honored to know you and call you our friends. "I thank my God every time I remember you." Phillipians 1:3.
